Title: SIMULTANEOUSLY CLEAN AND INSPECT SEWER PIPES

Dear Mr. Channavajjala,

Thank you for calling this morning. For U.S. application number 10/828575, the correct number of the related international application is PCT/US06/09680. The title of the correct international application is SIMULTANEOUSLY CLEAN AND INSPECT SEWER PIPES. When this application entered national stage under 35 U.S.C. 371, the application included an electronic copy of the correct international application, PCT/US06/09680. The electronic file containing a copy of the correct international application is named UG-PCT.pdf. A copy of the electronic filing receipt is attached. Please, let me know if I should send you another copy of this international application.

Unfortunately, when this international application entered national stage under 35 U.S.C. 371 the international application number was incorrectly typed as "PCT/US05/09860". Typing "PCT/US05/09860" instead of "PCT/US06/09680" was a scrivener's error that went unnoticed.

Please, let me know of any steps I should take to get this error corrected.

Best regards,
